

HERRAJES - FERRETERÍA • FITTINGS - HARDWARE

Con más de 100 nuevas incorporaciones Becusa afronta una nueva etapa haciendo especial hincapié en productos de calidad y referencia en diseño a nivel mundial.

Este catálogo está también disponible online.

Accede a www.becusa.com y descúbrelo.

With over 100 new additional products, Becusa S.A. establishes a new stage with good quality and new design products to meet all over the world.

The catalogue is also available online.

www.becusa.com access and find it out.

BECUSA, S.A. inicia su andadura en el año 1970 con un pequeño taller dedicado a la estampación de piezas metálicas, y poco a poco comienza a fabricar bisagras de cazoleta para la industria del mueble. Siempre con afán de superación, amplía la gama de producción a todo tipo de bisagras para el mercado ferretero e industrial.

En los últimos 15 años, **BECUSA, S.A.** se ha destacado por su política de CALIDAD y esfuerzo en el ámbito de I+D, logrando consigo, ampliar su gama de productos a mercados cada vez más exigentes y competitivos con el fin de satisfacer mejor las necesidades de los clientes más exigentes.

Actualmente, **BECUSA, S.A.** está presente en más de 35 países en 4 continentes, con su amplia gama de bisagras de cazoleta, guías o correderas, bisagras de diferentes acabados en acero, latón y acero inoxidable, herrajes para muebles (soportes, pasadores, cerraduras), herrajes para puertas (bisagras de seguridad, manillas, picaportes, etc) y una línea amplia de artículos de acero inoxidable (bisagras, manillas, manillones, tiradores, pasadores, etc). **BECUSA, S.A.** dispone de unas instalaciones de más de 6000 m² que le garantiza contar con un amplio almacén de productos de diferentes gamas para cubrir las necesidades puntuales de nuestros clientes en el mínimo plazo posible.

***BECUSA, S.A.** established in 1970, started to work with hardware fitting, afterwards worked with concealed hinge for the furniture. Until now it has full ranges of concealed hinge for the market of furniture. It is a family business whose members have been putting in a lot of work providing the best quality of their products while retaining a friendly relationship with their customers at the same time.*

*In latest 15 years, **BECUSA, S.A.** has offered high quality and competitive prices for the customers, what's more, Becusa S.A. offer more products than before. Such as stainless steel handles, drawer slides, ball bearing slides, lock etc. The products are being manufactured in the factory from the first to the final stage, giving the opportunity of immediate delivery of the orders, while offering the best prices in the market along with guaranteed quality.*

***BECUSA, S.A.** also has facilities of more than 6000 m² that guarantee to have a large storage of products of different ranges to meet the specific needs of our customers in the shortest possible time.*

Mirillas Digitales y Convencionales

Digital and conventional door viewers

Ref. KIKU3

Características

Imagen clara y grande (sensor 1.3 LCD de 3,2").

Funciona con un solo botón de respuesta rápida: 1 segundo.

Utiliza 3 pilas AAA. El DDV se apaga en 15 segundos para ahorrar energía.

Fácil de montar: sin cables, se sustituye por la mirilla vieja sin dañar la puerta.

No puede ser vista desde el exterior, protegiendo así la privacidad.

Para puertas de 42 hasta 72 mm.

Accesorio para puertas de 30 mm. hasta 50 mm.

Ref. KIKU3-L

Characteristic

Clear and large image (1.3 sensor LCD 3.2 ").

It works with one button and quickly response: 1 second.

Uses 3 AAA batteries. The DDV is turned off in 15 seconds to save the power.

Easy to install: Without cables. It replaces the classical door viewer. It doesn't damage the door.

It can be seen from the outside, protecting privacy. Door thickness: 42-72 mm.

Available door viewer from 30 mm to 50 mm.
